Proof of Employment Certificate

Dear Sir/Madam:

This is to certify that **Mr. QIANG LI** is employed by **PayLuft** as **Computer Vision Software Engineer Intern**. He has been rendering services to our company from **February 15th 2021** to **May 31st, 2021**.

As **Computer Vision Software Engineer Intern**, he is in charge of **following responsibilities**:

1. Built the MVP application from scratch as the full-stack developer using state-of-the-art Machine Learning models for biometric feature tracking and classification. Meanwhile, achieving satisfactory accuracy on well-known benchmarks.
2. GitLab all the technical details and report directly to the CEO and Co-founder and attend scrum meetings, including investment meetings.
3. Assist in the decision-making of a new technical hire (intern or non-intern).

As Computer Vision Software Engineer Intern, Mr. Qiang Li, performed exceptional work that went beyond internship requirements. He is a highly motivated, self- starter and a quick learner. I was pleased with his enthusiasm in taking the challenging tasks and get the things done. He always demonstrates commitment in resolving issues from product manager side. Mr. Qiang Li not only met deadlines but also explains his code in a way that non-experts can easily understand. During the whole period of his employment, he proved himself to be a dependable and reliable Computer Vision Engineer and a hard worker with solid problem solving and technical skills.

This certification serves as proof of Mr. Qiang Li's affiliation with us as Computer Vision Software Engineer Intern.

Sincerely,

Giorgio Talegon

CEO & Head of Innovation
